The CAHP Health Benefits Trust (the Plan) has a Memorandum of Agreement (the Agreement) with the California Public Employees' Retirement System (CalPERS). This Plan is a self-insured plan. The benefits of the Plan are provided while Medically Necessary for the Subscriber and enrolled Family Members for a covered illness, injury or condition, subject to all of the terms and conditions of the Evidence of Coverage

Medical, Hospital, mental disorders and chemical dependency, and health promotion program claims administration is provided by Anthem Blue Cross Life & Health Insurance Company in accordance with an Administrative Services Agreement between the CAHP Health Benefits Trust and Anthem Life. Prescription Drug benefits are administered by Express Scripts.

The benefits of the Plan shall be provided only to the extent that services are determined to be Medically Necessary, as defined herein. The determination of medical necessity shall be made by Anthem Blue Cross. The fact that a Physician or other provider prescribes or orders the services does not, of itself, make it Medically Necessary or a Covered Expense.

THIS PLAN DOES NOT COVER CUSTODIAL CARE IN A SKILLED NURSING FACILITY OR IN ANY OTHER FACILITY OR SITUATION.

IMPORTANT

No person has the right to receive any benefits of this Plan following termination of coverage, except as specifically provided under the TERMINATION AND RELATED PROVISIONS section in this Evidence of Coverage.

Benefits of this Plan are available only for services and supplies furnished during the term the Plan is in effect and while the benefits you are claiming are actually covered by this Plan.

Reimbursement may be limited during the term of this Plan as specifically provided under the terms in this Evidence of Coverage. Benefits may be modified or eliminated upon subsequent years' renewals of this Plan. If benefits are modified, the revised benefits (including any reduction in benefits or the elimination of benefits) apply for services or supplies furnished on or after the effective date of modification. **There is no vested right to receive the benefits of this Plan.**

INTRODUCTION

Welcome to the CAHP Supplement to Original Medicare Plan!

This CAHP Supplement to Original Medicare Plan (CAHP Supplemental Plan) is designed for Members enrolled in the California Public Employees' Retirement System's (CalPERS) health benefits program who are also enrolled in both Parts A (hospital insurance) and B (medical insurance) of Medicare. This Plan is in addition to a Medicare Part D Plan administered by Express Scripts and described in a separate EOC. Medicare Part A is hospital insurance that helps cover Inpatient care in hospitals, skilled nursing facilities, and hospices, in addition to home health care. Medicare Part B helps cover preventive care services and Medically Necessary services like doctors' visits, outpatient care, home health services, and other medical services. Check your Medicare card to find out if you have Part B. Medicare Part D covers prescription drugs and is administered by Express Scripts. **You are not allowed to enroll in a secondary Part D prescription drug plan that is not part of CalPERS. If you choose to opt out of the CAHP Medicare Part D Prescription Drug Plan, administered by Express Scripts, you will lose your Medicare Part D prescription drug coverage, and you will be responsible for all of your prescription drug costs.**

After you or your eligible Family Members are enrolled in this Plan, you may not change enrollment to a Basic Plan unless (1) there is an involuntary termination of your Medicare benefits, or (2) you move, other than temporarily, outside the United States as defined in the Federal Social Security Act. If you voluntarily cancel Part B of Medicare, you will not be eligible for a Basic Plan, nor will you be allowed to remain in this Plan.

A family group member, including a person enrolled in this CAHP Supplemental Plan, who is not eligible for Medicare and continues in the CAHP Basic Plan must enroll in this Plan when he or she is eligible to enroll in Medicare.

A Notice of Creditable Coverage documents your coverage under the CAHP Supplemental Plan. However, you should be aware that, if you have a subsequent break in this coverage of 63 days or more before enrolling a Part D, you could be subject to payment of higher Part D premiums. You may request a copy of a Notice of Creditable Coverage by calling the Anthem Blue Cross Member Services Department at 1-800-759-5758.

Please note that this Plan does not cover Custodial Care in any facility or situation, including a skilled nursing facility.

As a CAHP Supplemental Plan Member, you are responsible for meeting the requirements of the CAHP Supplemental Plan. Please take the time to familiarize yourself with this booklet and *Medicare & You*.

On behalf of the CAHP Board of Trustees and CAHP staff thank you for participating in the CAHP Supplemental Plan.

ORGAN DONATION

Each year, organ transplantation saves thousands of lives. The success rate for transplantation is rising, but there are far more potential recipients than donors. More donations are urgently needed.

Organ donation is a singular opportunity to give the gift of life. Anyone age 18 or older and of sound mind can become a donor when he or she dies. Minors can become donors with parental or guardian consent.

Organ and tissue donations may be used for transplants and medical research. Today it is possible to transplant more than 25 different organs and tissues; this can save the lives of as many as eight people and improve the lives of another 50 people. Your decision to become a donor could someday save or prolong the life of someone you know, perhaps even a close friend or family member.

If you decide to become a donor, please discuss it with your family. Let your physician know your intentions as well. You may register as a donor by obtaining a donor card from the Department of Motor Vehicles. Be sure to sign the donor card and keep it with your driver's license or identification card. In California, you may also register online at www.donatelifecalifornia.org/.

While organ donation is a deeply personal decision, please consider making this profoundly meaningful and important gift.

ADVANCED HEALTH CARE DIRECTIVE

It is your RIGHT to make decisions concerning your own health, including the right to choose or refuse medical treatment.

Laws are designed to protect your health information and limit who can review it. Your treatment is between you and your physician, and you have the final decision on the course of treatment.

An Advance Health Care Directive (AHCD) is a document that instructs others about your care should you be unable to make decisions on your own. It provides a clear statement of wishes about your choice to prolong your life or to withhold or withdraw treatment.

Forms are available through community and senior services organizations, some physicians, hospitals and hospice programs. Specifically, the Californian Hospital Association has a form that can be downloaded at www.calhealth.org/download/advancedirective.doc.

Choices about the end of life are important for all adults – not just the older population. Not only does an advance directive let your voice be heard about what you want, but it also relieves others the burden of making these decisions for you.

PREVENTIVE MEDICAL MISTAKES

While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

Tell all your health-care providers if you have medication allergies or sensitivities.

Provide your doctor(s) with a written list of all the medications you take – including vitamins, herb or other over-the-counter drugs.

Bring an “advocate” with you to the doctor’s office or hospital. If you can’t ask questions or take notes, this person can do it for you. Take your list of medications along with you as well.

Ask questions about any new medications you are given. Pills should look the same each time. If they don’t, you could be getting the wrong medication. If you get any injections, ask what they are and what they’re for.

Immediately report any medication problems to your doctor.

Insist that all health-care providers wash their hands or wear sterile gloves. Have your advocate post a sign above your bed saying, “Please wash your hands before you touch me.”

Be assertive if something seems wrong or different than usual.

Spend the least possible time in the hospital. The longer you stay, the greater your chances are of picking up a hospital-acquired infection.

STOP HEALTHCARE FRAUD

Fraud in our nation's health care system results in losses of millions of dollars every year. It increases the cost of health care for everyone including increases to your CAHP Health Benefits Trust Premiums.

Here are some things that you can do to prevent fraud:

Carefully review explanation of benefits (EOBs) that you receive from the Trust.

Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill the Plan to get it paid.

Do not ask your Physician to make false entries on certificates, bills or records in order to get the Plan to pay for an item or service.

If you suspect that a Physician has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

1. Call the Physician and ask for an explanation. There may be an error.
2. If the provider does not resolve the matter, call Anthem Blue Cross member services and explain the situation.
3. If it is not resolved, contact the Department of Insurance:

CDI Fraud Division Intake Unit
PO Box 277320
Sacramento, CA 95827
www.insurance.ca.gov/0300-fraud/
(800) 927-HELP (4357)

Another way is to not maintain ineligible family members on your policy. Spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise) are not eligible to continue coverage as your dependent nor children under the age of 26 that are not yours and you do not have a legal or financial obligation to cover them. These dependents may be entitled to CONTINUATION OF COVERAGE (page 39)

LANGUAGE ASSISTANCE PROGRAM

Anthem Blue Cross introduced its Language Assistance Program to provide certain written translation and oral interpretation services to California Members with limited English proficiency.

The Language Assistance Program makes it possible for the Member to access oral interpretation services and certain written materials vital to understanding his or her health coverage at no additional cost to the Member and in a timely manner.

Written materials available for translation include grievance and appeal letters, consent forms, claim denial letters, and explanations of benefits. These materials are available in the top 15 languages as determined by law:

Oral interpretation services are available in additional languages.

In addition, appropriate auxiliary aids and services, including qualified interpreters for individuals with disabilities and information in alternate formats are also available, free of charge and in a timely manner, when those aids and services are necessary to ensure an equal opportunity to participate for individuals with disabilities.

Anthem does not discriminate on the basis of race, color, national origin, ancestry, religion, sex, marital status, gender, gender identity, sexual orientation, age, or disability.

The Member may call the member services number on his or her ID card to request a written or oral translation, to update his or her language preference, to receive future translated documents, or to request interpretation assistance. Anthem Blue Cross also sends/receives TDD/TTY messages at **866-333-4823** or by using the National Relay Service through 711.

HOW TO USE YOUR PLAN

The CAHP Health Benefits Trust (the Trust) is a self-insured health and welfare trust that is sponsored by the California Association of Highway Patrolmen (CAHP) and approved by the California Public Employees' Retirement System (CalPERS) Board of Administration.

The Trust provides comprehensive health care coverage exclusively to Members and Employees of the CAHP.

The Trust contracts directly with Anthem Blue Cross Life and Health Insurance Company (Anthem Blue Cross Life and Health), an affiliate of Anthem Blue Cross, as Claims Administrator of the medical, mental disorders and chemical dependency and health promotion program benefits offered herein. As used in this Evidence of Coverage, the term "Anthem Blue Cross" shall be used for convenience to refer to both Anthem Blue Cross and Anthem Blue Cross Life and Health Insurance Company.

YOUR EMPLOYER HAS AGREED TO BE SUBJECT TO THE TERMS AND CONDITIONS OF ANTHEM'S PROVIDER AGREEMENTS WHICH MAY INCLUDE PRE-SERVICE REVIEW AND UTILIZATION MANAGEMENT REQUIREMENTS, COORDINATION OF BENEFITS, TIMELY FILING LIMITS, AND OTHER REQUIREMENTS TO ADMINISTER THE BENEFITS UNDER THIS PLAN.

As a CAHP Health Benefits Trust Plan Member, you should understand that future health care premiums are directly determined by claims utilization. Any personal effort you can make to control cost shall help keep your future monthly out-of-pocket premium cost at a minimum.

- **You should always make sure that the individuals or organizations providing services are approved to provide Medicare services.** If you are not sure, ask. This is very important, since this Plan does not provide benefits when Medicare approval is denied except for those benefits specifically listed under the section **MAJOR MEDICAL BENEFITS** and **BENEFITS FOR SERVICES NOT COVERED BY MEDICARE** under **SUMMARY OF BENEFITS**.
- **You will receive maximum Plan benefits when you receive services from a provider that accepts Medicare assignment.** If a provider accepts Medicare assignment, the Trust's payment is limited to the difference between the amount paid by Medicare and the approved charge under Medicare. This limits the Trust's claims liability, and will directly help to keep the future cost of providing health care at a minimum.

If a provider does not accept Medicare assignment, Plan Members are responsible for any difference between the combined amount paid by the CAHP Supplemental Plan and Medicare and the charges billed by providers who are not Anthem Blue Cross Physician members and who do not accept Medicare assignment, within the limits of applicable law. Such providers may bill Members for the balance of any unpaid charges and for services and supplies that are not covered by Medicare or the CAHP Supplemental Plan.

MEDICARE HANDBOOK

A copy of the directory of providers that accept assignment (Medicare Provider Directory) and a booklet that outlines the benefits Medicare provides ("*Medicare & You*") is available. You may contact your nearest Social Security office, visit the Web site at www.medicare.gov or write to:

Department of Health and Human Services
Centers for Medicare & Medicaid Services
7500 Security Blvd.
Baltimore, Maryland 21244-1850

OUTPATIENT PRESCRIPTION DRUG BENEFITS

If you are enrolled in the Express Scripts Medicare (PDP) refer to your Medicare Part D Prescription Drug Evidence of Coverage Booklet or contact Express Scripts Medicare at 1-855-315-3588.

This Plan provides benefits for smoking cessation and weight management to help support your goal to develop and maintain a healthier lifestyle. Please refer to the **HEALTH PROMOTION PROGRAM** (page 25) section for additional information.

ANTHEM BLUE CROSS WEB SITE

Information specific to your benefits and claims history are available on the Anthem Blue Cross Web site at www.anthem.com/ca. Once registered, simply click the "Login" button and enter your User ID and Password to access the Member Access Web site.

HOW TO FILE A CLAIM

When you require healthcare, present your CAHP Supplement to Medicare identification card to your provider.

Always consult your Physician first. If your Physician decides hospitalization is necessary, he or she will make the arrangements. Your identification card should be presented along with your Social Security Medicare identification card at the Hospital admission desk. The Hospital will commence action on your claim by billing Medicare first. Following receipt of the Medicare payment, the Hospital will then bill Anthem Blue Cross for benefits under your Supplement to Original Medicare Plan.

If you do not have your identification card when you enter the Hospital or if the status of your contract is questioned, please request that the Hospital contact Anthem Blue Cross at **1-800-759-5758**.

Itemized charges and dates of service must be filed with Anthem Blue Cross by you or the provider of health care within 90 days after you have incurred expenses, or within 90 days of the date the "Explanation of Medicare Benefits" (EOMB) is issued by Medicare. If it is not reasonably possible to submit the claim within that timeframe, an extension of up to 12 months will be granted.

CLAIM-FREE SERVICE

You need not file a claim for Supplement to Original Medicare benefits if you are a California resident who has enrolled in Anthem Blue Cross' **Claim-Free** program, **and** if your provider billed Medicare and the Medicare claim is processed by Anthem Blue Cross, Blue Shield of California or the California offices of Trans-America Insurance or Occidental Insurance. Your Supplement to Original Medicare benefits will automatically be paid through Anthem Blue Cross' **Claim-Free** process, which makes it possible for Anthem Blue Cross to electronically obtain Medicare claims data directly from those Medicare claims processors. In some cases, you may receive your Supplement to Original Medicare benefit claim payment faster than your Medicare payment. If your Medicare claim is not processed by one of the above claims processors or if you are not enrolled in the **Claim-Free** program, then you will need to submit a claim as listed below.

To expedite your enrollment in the convenient *Claim-Free* program, call Anthem Blue Cross at **1-800-759-5758**. Make sure you have your Medicare card available when you place the call.

WHEN YOU NEED TO SUBMIT A CLAIM

First, you or your provider must submit all medical claims to the Social Security Medicare fiscal intermediary for Medicare benefits.

When Medicare has processed your claim, you will receive an "Explanation of Medicare Benefits" (EOMB) notice when services are received in the United States. Then, write your Member number and group number (from your identification card) on this Medicare notice (EOMB) and mail it, along with a CAHP medical claim form and a copy of the itemized bill for the services received, to the following address:

ANTHEM BLUE CROSS
Attn: CAHP, Unit
P.O. Box 60007
Los Angeles, CA 90060-0007

To obtain CAHP medical claim forms, please call Anthem Blue Cross at **1-800-759-5758** or access online at **www.anthem.com/ca**.

NOTE: The Trust is not liable for the benefits of this Plan if claims are not filed within the periods listed below:

- Claims for covered medical services or supplies that supplement Medicare benefits must be submitted to **Anthem Blue Cross within 90 days** of the date the EOMB is issued by Medicare. If it is not reasonably possible to submit the claim within that timeframe, an extension of up to 12 months will be available.
- All other claims for covered medical services or supplies must be submitted to Anthem Blue Cross **within 90 days** of the date services were incurred. If it is not reasonably possible to submit the claim within that timeframe, an extension of up to 12 months will be available.
- **HEALTH PROMOTION PROGRAM** claims must be submitted to Anthem Blue Cross with the signed Certificate of Completion, Reimbursement Form and receipts **within 90 days** of the program completion. If it is not reasonably possible to submit the claims within that timeframe, an extension of up to 12 months will be allowed. Claim forms must be used; cancelled checks or receipts alone are not acceptable. Please refer to the **HEALTH PROMOTION PROGRAM** section of this Evidence of Coverage.

MEDICAL NECESSITY

Except for the benefits provided under **HEALTH PROMOTION PROGRAM**, benefits are provided only for services or supplies which are Medically Necessary and delivered with optimum efficiency.

The fact that a Physician or other provider may prescribe, order, recommend or approve a service or supply does not, in itself, make it Medically Necessary even though it is not specifically listed as an exclusion or limitation.

Medically Necessary shall mean health care services that a Physician, exercising prudent clinical judgment, would provide to a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms, and that are:

1. In accordance with generally accepted standards of medical practice.
2. Clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for the patient's illness, injury or diseases; and
3. Not primarily for the convenience of the patient, Physician or other health care provider, and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's illness, injury or disease.

For these purposes "generally accepted standards of medical practice" means standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, physician specialty society recommendations and the views of physicians practicing in relevant clinical areas and any other relevant factors.

NOTE: The Plan will accept Medicare's determination of medical necessity.

Hospital services, procedures, equipment and supplies which are generally not considered Medically Necessary on an inpatient basis include, but are not limited to:

- Diagnostic studies that could have been provided on an outpatient basis;
- Medical observation or evaluation;
- Removal of the patient from his or her customary work or home for rest, relaxation, personal comfort or environment change;
- Pain management centers to treat or cure chronic pain;
- Pre-operative workups the night before surgery;
- Rehabilitative services.

Outpatient services may also be deemed to be not Medically Necessary.

Anthem Blue Cross reserves the right to review all medical claims to assure that services and supplies are Medically Necessary as specified in this Evidence of Coverage.

MEDICAL POLICY

Anthem Blue Cross reviews and evaluates new technology according to its technology evaluation criteria developed by its medical directors. Technology assessment criteria are used to determine the investigational status or medical necessity of new technology. Guidance and external validation of Anthem Blue Cross' medical policy is provided by their Medical Policy and Technology Assessment Committee (MPTAC) which consists of approximately 20 physicians from various medical specialties including Anthem Blue Cross' medical directors, physicians in academic medicine and physicians in private practice. Conclusions made are incorporated into medical policy used to establish decision protocols for particular diseases or treatments and applied to Medical Necessity criteria used to determine whether a procedure, service, supply or equipment is covered.

Anthem Blue Cross has developed general medical policies that provide guidance and support for benefit determinations. These policies are considered guides and are not intended to imply benefit or coverage determination nor constitute medical advice. Anthem Blue Cross medical necessity guidelines and criteria for specific services are available for viewing by logging onto www.anthem.com/ca and click on "Medical Policies and Clinical UM Guidelines".

HEALTH PLAN INDIVIDUAL CASE MANAGEMENT PROGRAM

The **health plan individual case management program** enables the Plan to authorize Members to obtain medically appropriate care in a more economical, cost effective and coordinated manner during prolonged periods of intensive medical care. Through a case manager an alternative plan of treatment, which may include services not otherwise covered under the Plan, may be recommended. Anthem Blue Cross, on behalf of the Trust, provides these services at the sole and absolute discretion of the Plan.

Personal case management is available only after Medicare benefits have been exhausted, or as an alternative to services which are covered under this Plan but are not covered by Medicare.

A. How the Personal Case Management Program Works

1. The personal case management program (Case Management) helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. The programs coordinate benefits and educate Members who agree to take part in the Case Management program to help meet their health-related needs.
2. The Case Management programs are confidential and voluntary, and are made available at no extra cost to the Member. These programs are provided by, or on behalf of and at the request of, the Member's health plan case management staff. These Case Management programs are separate from any covered services you are receiving.
3. If you meet program criteria and agree to take part, then Anthem Blue Cross will help you meet your identified health care needs. This is reached through contact and team work with you and /or your chosen authorized representative, treating *physicians*, and other providers.
 - a. In addition, Anthem Blue Cross may assist in coordinating care with existing community-based programs and services to meet your needs. This may include giving you information about external agencies and community-based programs and services.
4. If Anthem Blue Cross determines that the Member's needs could be met more efficiently, an alternate treatment plan may be recommended. This may include providing benefits not otherwise covered under this Plan. An Anthem Blue Cross case manager will review the medical records and discuss the Member's treatment with the attending Physician, the Member and the Member's family.

B. How Benefits Are Affected by the Health Plan Individual Case Management Program

1. Any alternative benefits paid are accumulated toward any lifetime maximums applicable under this Plan.
2. Benefits are provided for an alternative treatment plan on a case-by-case basis only. The Plan has absolute discretion in deciding whether or not to substitute benefits for any Member, which alternative benefits may be offered and the terms of the offer.
3. Authorization of substitution of benefits in a particular case in no way commits the Plan to do so in another case or for another Member.
4. The personal case management program does not prevent the expressed benefits, exclusions and limitations of this Plan from being strictly applied at any other time or for any other Member.

NOTE: Anthem Blue Cross reserves the right to use the services of one or more third parties in the performance of services outlined in the letter of agreement. No other assignment of any rights or delegation of any duties by either party is valid without the prior written consent of the other party.

CONDITIONS UNDER WHICH SERVICES AND BENEFITS SHALL BE PAID

1. Benefits shall be provided only while Medically Necessary in connection with the direct care and treatment of a covered illness, disease or injury. When an illness, disease or injury necessitates an inpatient confinement in a Hospital or Skilled Nursing Facility, services shall be limited to those customarily furnished by the Hospital or Skilled Nursing Facility and only those services which could not have been performed prior to admission to the Hospital or Skilled Nursing Facility. Such inpatient services shall be provided only for the number of days required for the care and treatment of the illness, disease or injury for which the Member was confined. The providing of services and benefits hereunder must be ordered by the attending Physician, must be in accordance with standard medical practice in the community in which service was rendered and must be recognized as a legal course of treatment in the United States.
2. Anthem Blue Cross, on behalf of the Trust, shall pay Hospitals, Prudent Buyer Plan Providers, and medical transportation providers directly for that portion of the expense for which the Trust is required to pay. In addition, payment will be made directly to other providers of service upon written assignment of benefits by the Member. Such payment shall fully discharge, to the extent of payment, the liability of the Trust to the Member for such services and benefits.
3. Skilled Nursing Facility and Home Health Care services and benefits set forth herein shall be limited by the extent of available Skilled Nursing Facilities and Home Health Care Providers and only those covered services and benefits which are consistent with the degree of Disability and the medical needs of the Member on referral by the attending Physician, who is a licensed medical doctor (M.D.). Such services and benefits shall continue only while the Member is under the direct care and active medical supervision of a Physician for the illness, disease or injury necessitating continuous Skilled Nursing Facility or Home Health Care services. Anthem Blue Cross may require written declarations by the attending Physician as to the need for such care at such times and intervals as Anthem Blue Cross may determine.
4. The Trust shall not be responsible for expense incurred for services and benefits, unless written proof of expense incurred on properly completed claim forms from the Hospital, Skilled Nursing Facility and attending Physician or other providers of service itemizing the services and benefits rendered and the charges are filed with the Trust or Anthem Blue Cross within 90 days of the date such services and benefits were rendered. If it is not reasonably possible to submit the claim for services within that timeframe, an extension of up to 12 months shall be allowed. Cancelled checks or receipts shall not be accepted as proof of expense incurred in lieu of properly completed claim forms.

HEALTH PROMOTION PROGRAM

INTRODUCTION

With the objective of encouraging CAHP members to maximize their commitment and efforts to establish and maintain healthy lifestyles, the CAHP Health Benefits Trust (the Trust) provides a Health Promotion Program.

The Health Promotion Program includes reimbursement for approved smoking cessation programs (including prescription nicotine patches, Chantix or Zyban) and/or weight management programs. Benefits are provided in accordance with Anthem Blue Cross' health promotion policies. Claims are administered by Anthem Blue Cross on behalf of the Trust.

SMOKING CESSATION PROGRAM

Behavior modification programs utilize methods to identify your smoking habit and to modify behavior to successfully quit smoking. Behavior modification **does not** consist of hypnosis, shock therapy, acupuncture, acupressure, or other similar methods to alter behavior.

A. Benefit Reimbursement

The Plan will provide 100% reimbursement up to a \$100 maximum payment for one approved behavior modification smoking cessation program per Member during the Contract Year. Benefits are limited to twice per lifetime for each Member.

B. Approved Programs

Benefits are provided when verification of completion of one of the following approved programs is submitted to Anthem Blue Cross:

2. Medical clinic or Hospital-based programs. Consult your family Physician or local community Hospital for information.

SMOKING CESSATION PRODUCTS

Many individuals find the use of nicotine replacement therapies helpful with their attempt to combat nicotine addiction. However, the use of most of these products has only been shown to be successful when used in conjunction with a smoking cessation program which works with individuals to understand their smoking habits. The combination of a nicotine patch or a prescription medication such as Zyban or Chantix, to help alleviate withdrawal symptoms, with a smoking cessation program, to assist with the behavioral aspect of the smoking habit, and the desire to quit generally leads to success.

Benefit Reimbursement

When you successfully complete one of the approved smoking cessation programs specified in this Evidence of Coverage and submit a Certificate of Completion, the Plan will provide 50% reimbursement up to a \$175 maximum payment for either a 90-day supply of nicotine patches or a 90-day supply of the prescription medication Zyban or a 90-day supply of the prescription medication Chantix per Member during the Contract Year. Benefits are limited to twice per lifetime for each Member.

GENERAL EXCLUSIONS AND LIMITATIONS

Benefits under this Supplement to Original Medicare Plan are provided only for services Medicare deems allowable and Medically Necessary, except as specifically listed in this Evidence of Coverage. Benefits provided by this Plan beyond those covered by Medicare are subject to review for medical necessity before, during and/or after services have been rendered. Please refer to the provisions stated under MEDICAL NECESSITY. The following exclusions apply only to those services not covered by Medicare. The title of each exclusion is not intended to be fully descriptive of the exclusion; rather, it is provided solely to assist the Member to easily locate particular items of interest or concern. Remember, a particular condition may be affected by more than one exclusion. Additional exclusions and limitations which clarify a specific benefit are listed under that benefit. Benefits of this Plan are not provided for, or in connection with, the following:

1. **After Coverage Ends.** Any expense incurred for services and benefits rendered after the Member's coverage ends, except as otherwise provided under **TERMINATION AND RELATED PROVISIONS**.

3. **Before Coverage Begins.** Services received before the Member's Effective Date, or during a continuous period of hospitalization which began before the Member's Effective Date. However, in the case of a person covered under this Plan by reason of transfer from another CalPERS plan, the exclusion for hospitalization beginning prior to the Member's Effective Date shall apply only during the first 90 days of enrollment under this Plan unless the prior carrier provides coverage for the condition causing the Hospital confinement beyond the 90th day following the Member's Effective Date under this Plan.

Improvement of physical function does not include improvement of self-esteem, personal concept of body image, or relief of social, emotional or psychological distress. THIRD PARTY LIABILITY

Under some circumstances a Member may need services under this Plan for which a third party may be liable or legally responsible by reason of negligence, an intentional act or breach of any legal obligation. In that event, the benefits of this Plan will be provided subject to the following:

1. The Trust shall automatically have a lien, to the extent of benefits advanced, upon any recovery, whether by settlement, judgment, or otherwise, that the Member receives from the third party, the third party's insurer, or the third party's guarantor or any insurer. The lien shall be in the amount of benefits paid by the Trust under this Plan for the treatment of the illness, disease, injury, or condition for which the third party is liable, but not more than the amount allowed by California Civil Code Section 3040. Also see Government Code Section 22945 et. Seq.
2. **The Member agrees to advise Anthem Blue Cross, in writing, within sixty (60) days, of his or her filing a claim against the third party and to take such action, furnish such information and assistance, and execute such papers as Anthem Blue Cross may require to facilitate enforcement of the Trust's rights. The Member also agrees to take no action which may prejudice the rights or interests of the Trust under this Plan.**

Failure of the Member to give such notice to Anthem Blue Cross or cooperate with Anthem Blue Cross, or actions of the Member that prejudice the rights or interests of the Trust shall be a material breach of the Member's obligations hereunder and shall result in the Member being personally responsible for reimbursing the Trust.

3. The Trust shall be entitled to collect on its lien even if the amount the Member or any person recovered for the Member (or the Member's estate, parent or legal guardian) from or for the account of such third party as compensation for the injury, illness or condition is less than the actual loss the Member suffered. This would also include, but is not limited to any monies recovered by means of an uninsured or under insured motorist policy.
4. The Plan's right to recover shall apply regardless of whether or not the member is made whole.

WORKERS' COMPENSATION INSURANCE

This Plan is not in lieu of and does not affect any requirement of coverage by workers' compensation insurance.

If, pursuant to any workers' compensation or employer's liability law or other legislation of similar purpose or import, a third party is responsible for all or part of the cost of health services provided by the Trust, and such third party disputes that responsibility the Trust shall provide the benefits of this Plan and the Trust shall automatically acquire thereby, by operation of law, a lien to the extent of the reasonable value of the services provided by the Trust.

It is the Member's responsibility to notify Anthem Blue Cross when the Member or a Family Member has filed a claim for workers' compensation insurance by calling Anthem Blue Cross at 1-800-759-5758.

The Trust shall provide the benefits of this Plan **only** on condition that the Member shall agree in writing to provide the Trust with a lien to the extent of the reasonable value of the services provided by the Trust. **The Member agrees to take no action that may prejudice the Trust's right under such lien.** The lien may be filed with the responsible third party his or her agent, or the court, and the Trust may exercise all other rights available to it as a lien holder. For purposes of this subsection, reasonable value

shall be determined to be the Customary and Reasonable Charge for services in the geographic area where the services are rendered.

IMPORTANT NOTE:

In those cases where the Member or Family Member has filed a claim with his or her employer, with State Compensation Insurance Fund, or filed an Application for Adjudication and/or settlement of the claim under circumstances in which the work-related nature of the illness or injury is accepted, the Trust shall not provide any further benefits or services for the condition or illness which gave rise to the Member's or Family Member's workers' compensation claim unless the illness or injury is later disputed by the State Compensation Insurance Fund, the Workers' Compensation Appeals Board or the Employer.

MEDICARE NON-DUPLICATION OF BENEFITS

The Trust shall provide the benefits of this Plan only to the extent they do not duplicate benefits available from Medicare.

COORDINATION OF BENEFITS

If a Member is covered under one or more other plans, the benefits of this Plan will be coordinated with the benefits payable by such other plans in accordance with the following provisions:

A. Definitions

1. **Allowable Expense** is any necessary, reasonable and customary item of expense which is at least partially covered by any plan covering the person for whom a claim is made. When a plan provides benefits in the form of services rather than cash reimbursement for services, the reasonable cash value of each service rendered shall be deemed to be both an Allowable Expense and a benefit paid. An expense that is not covered by any plan covering the person for whom a claim is made is not Allowable Expense.

The following are not Allowable Expense:

- Use of a private hospital room is not an Allowable Expense unless the patient's stay in a private hospital room is Medically Necessary in terms of generally accepted medical practice, or one of the plans routinely provides coverage for hospital private rooms.
- If you are covered by two plans that calculate benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method, any amount in excess of the higher of the reasonable and customary amounts.
- If a person is covered by two plans that provide benefits or services on the basis of negotiated rates or fees, an amount in excess of the lower of the negotiated rates.
- If a person is covered by one plan that calculates its benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method and another plan provides its benefits or services on the basis of negotiated rates or fees, any amount in excess of the negotiated rate.
- The amount of any benefit reduction by the Principal Plan because you did not comply with the plan's provisions is not an Allowable Expense. Examples of these types of provisions

include second surgical opinions, utilization review requirements, and network provider arrangements.

- If you advise us that all plans covering you are high deductible health plans as defined by Section 223 of the Internal Revenue Code, and you intend to contribute to a health savings account established in accordance with Section 223 of the Internal Revenue Code, any amount that is subject to the primary high deductible health plan's deductible.
2. This **Plan** means the CAHP Health Benefits Trust Supplement to Original Medicare Plan.
 3. The **other plan** means any plan providing benefits or services for or by reason of Hospital or medical care or treatment, which benefits or services are provided by any group, group service, group practice or any other prepayment coverage on a group basis or any coverage under labor management trustee plans, or group coverage sponsored by or provided through a school or educational institution, or Medicare.
 4. **Primary Carrier** means a plan which, according to the Order of Benefit Determination provisions below, has primary responsibility for the provision of benefits.
 5. **Secondary Carrier** means a plan which, according to the order of Benefit Determination provisions below, has secondary responsibility for the provision of benefits after the Primary Carrier determines its benefits.

B. Order of Benefit Determination

The rules for establishing the order of Benefit Determination are:

1. A plan which has no coordination of benefits provision pays before a plan which has a coordination of benefits provision.
2. A plan which covers the Member as other than a dependent shall have primary responsibility for the provision of benefits before a plan which covers the Member as a dependent. However, if the Member is an Annuitant and eligible for Medicare, Medicare pays (a) after the plan covering the Member as a dependent of an active employee, but (b) before the plan covering the Member as a Subscriber, then the plan covering the Member as an Annuitant.
3. **For example:** The Member is covered as an Annuitant under the Plan and eligible for Medicare (Medicare would normally pay first). The Annuitant is also covered as a dependent of an active employee under another plan (In which case Medicare would pay second). In this situation, the plan covering the Member as a dependent would pay first, and the plan covering the Member as an Annuitant would pay last.
4. When a plan covers the Member as a dependent child and the parents are not separated or divorced, and each parent is covered by a group plan which covers the Member as a dependent, the plan of the parent with the earliest birth date in the Calendar Year shall have primary responsibility for the provision of benefits. If, however, either of the plans does not include the birthday rule provisions of this paragraph, primary responsibility for the provision of benefits shall be determined by the plan which does not include this provision.
5. When a plan covers the Member as a dependent child and the parents are separated or divorced, and the parent with custody of the Member has not remarried, the plan which covers the Member as a dependent of the parent with custody of the Member shall have primary responsibility for the provision of benefits before the plan which covers the Member as a dependent of the parent without custody.

6. When a plan covers the Member as a dependent child and the parents are separated or divorced and the parent with custody of the Member has remarried, the plan which covers the Member as a dependent of the parent with custody shall have primary responsibility for the provision of benefits then the plan which covers the Member as a dependent of the step-parent married to the parent with custody. In addition, the plan which covers the Member as a dependent of the step-parent married to the parent with custody will determine its benefits before the plan which covers the Member as a dependent of the parent without custody.
7. When a plan covers the Member as a dependent child, and the parents are separated or divorced and there is a court decree which would otherwise establish financial responsibility for the medical, dental or other health care expenses with respect to such Member, notwithstanding paragraphs 4. and 5. above, the plan which covers the Member, as a dependent of the parent with such financial responsibility shall have primary responsibility for the provision of benefits before any other plan, which covers the Member as a dependent.
8. When a plan covers an individual as a laid-off or retired Employee, or an individual who is a dependent of a laid-off or retired Employee, such plan shall determine its level of responsibility after any other plan covering that individual as other than a laid-off or retired employee or the dependent of such person.
9. A plan which has no provision regarding laid-off or retired Employees or their dependents, shall have primary responsibility for their benefits if the lack of this provision would result in each plan determining its level of responsibility after the other.
10. The plan covering the Member under a continuation of coverage provision in accordance with state or federal law pays after a plan covering the Member as a Subscriber, a dependent or otherwise, but not under a continuation of coverage provision in accordance with state or federal law. If the order of benefit determination provisions of the other plan do not agree under these circumstances with the order of benefit determination provisions of this Plan, this rule will not apply.
11. When rules 1 through 9 do not establish an order of benefit determination, the plan which has covered the Member for the longer period of time will have primary responsibility for the provision of benefits before a plan which has covered the Member the shorter period of time.

C. Effect on Benefits

1. Primary Carrier

If this Plan is the Primary Carrier with respect to a Member, then this Plan will provide its services and benefits regardless of the benefits available to that Member from any other plan.

2. Secondary Carrier

If this Plan is the Secondary Carrier with respect to a Member then this Plan will provide its benefits in accordance with the following procedure:

In the event that the total amount of Allowable Expense incurred by that Member in any Calendar Year is exceeded by the sum of:

- a. The amount of benefits that would be provided for such Allowable Expense under this Plan in the absence of these provisions, and
- b. The amount of benefits that would be provided or would be payable for such Allowable Expense under all other plans in the absence therein of the same or any similar provisions.

The services and benefits that would be provided under this Plan, in the absence of these provisions, shall be reduced to the extent necessary so that the sum of such reduced benefits when added to the benefits payable under all other plans shall not exceed the total of such Allowable Expense. Benefits payable under another plan include those benefits that would have been payable had a claim been duly made therefore.

D. Provision of Benefits by Secondary Plan

With respect to the provisions of Section C. 2., the Secondary Carrier shall provide the services and benefits of this Plan as if it were the Primary Carrier. Members who receive services and benefits from the Secondary Carrier are hereby deemed to have assigned the benefits to the Secondary Carrier which they would have otherwise received from the Primary Carrier. By virtue of this contract, Members (a) agree to cooperate fully with Anthem Blue Cross in completing the necessary assignments to enable this Plan to obtain payment of benefits from the Primary Carrier, and (b) agree to reimburse this Plan from the benefits paid to the Member by the Primary Carrier for the services and benefits also provided by this Plan.

E. Optional Payment of Benefits

Whenever services which should have been provided under this Plan in accordance with these provisions have been paid as benefits under any other plan, this Plan shall have the right to pay to such other plan any amounts that it determines to be necessary in order to satisfy the intent of these provisions. Such amounts shall be considered to be benefits provided under this Plan and to the extent of such payments, the Trust shall be fully discharged from liability under this Plan.

F. Right of Recovery

Whenever this Plan has made payments, or has provided covered services, in excess of the amount determined in accordance with these Coordination of Benefits provisions, this Plan shall have the right to recover such payments or the reasonable cash value of such covered services, to the extent of such excess, from one or more of the following, as this Plan shall determine: 1) any person(s) to or for or with respect to whom such payments were made or services provided, 2) any other plans, 3) insurers, 4) service plans, or 5) any other organization. If a Member is covered under any other plan and the contract or plan documents of such other plan contain Coordination of Benefits provisions, this Plan shall be deemed a third party beneficiary of such provisions.

ENROLLMENT PROVISIONS

ELIGIBILITY FOR ENROLLMENT

1. All Members who are eligible in accordance with the Act and who are enrolled under Medicare Parts A and B may enroll hereunder. Enrollment is restricted to members and permanent Employees and vested Annuitants of the California Association of Highway Patrolmen and their eligible Family Members.
2. An Employee, Annuitant or a Family Member shall not be eligible for enrollment with this Plan while enrolled under any of the Board's alternative medical and hospital benefit programs (i.e. PERSCare, PERS Choice, etc.).

MEDICARE ELIGIBILITY

Under the Public Employee's Medical and Hospital Care Act (PEMHCA), if you are Medicare-eligible and do not enroll in Medicare Parts A and B and a CalPERS Medicare health plan, you and your enrolled dependents will be excluded from coverage under the CalPERS program.

CONDITIONS OF ENROLLMENT

1. Each Employee or Annuitant eligible to become a Subscriber according to the requirements stated under this **ENROLLMENT PROVISIONS** section, and who files an application with the Employer for membership for himself or herself and his or her eligible Family Members on forms provided by the Employer during an Open Enrollment Period or period of initial eligibility, as specified in the Act shall have fulfilled the conditions of enrollment.
2. The following provision applies only to Members who are enrolled in a Combination Basic/Supplement to Original Medicare contract (for example: the Subscriber is enrolled in the Supplement to Original Medicare Plan and the Spouse is enrolled in the Basic Plan or vice versa).

Prior to the annual CalPERS Open Enrollment Period, the Trust will issue an affidavit titled "CAHP Health Benefits Trust Affirmation of Plan Limitations and Out-of-State Health Benefits Options" to all Annuitant Members who reside outside of California and are enrolled in the Basic Plan. This affidavit shall also be mailed to all Annuitant Members residing outside of California, upon the Trust's receipt of request for enrollment in the Basic Plan.

As a condition of enrollment in the Basic Plan, Annuitant Members who reside outside of California must complete and return the affidavit to the Trust. Failure to return the affidavit to the Trust within the required time-frame shall result in administrative transfer to another CalPERS-sponsored health plan.
3. If an Employee or Annuitant fails to enroll himself or herself or his or her eligible Family Members during an Open Enrollment Period or the period of initial eligibility as specified in the Act, the Employee or Annuitant may apply for late enrollment for himself or herself and any eligible Family Members in accordance with the Act. Contact the CalPERS Health Account Services, for information regarding late enrollment.

IMPORTANT NOTE: It is the Subscriber's responsibility to request additions, deletions or changes in enrollment in a timely manner and to stay informed about the eligibility requirements in the Act and Regulations. The Subscriber shall be held liable retroactively for any services provided to ineligible Members.

COMMENCEMENT OF COVERAGE

After fulfilling the **CONDITIONS OF ENROLLMENT** as stated above, coverage shall commence for a Subscriber and his or her Family Members at 12:01 a.m. on the date set forth in the Act.

TERMINATIONS AND RELATED PROVISIONS

VOLUNTARY CANCELLATION

A Member may cancel voluntarily his or her enrollment in this Plan established in accordance with the provisions of Section 599.505 of the Regulations, and shall cease to be covered without notice from the Trust or Anthem Blue Cross, at midnight on the day on which such cancellation of enrollment becomes effective, under Section 599.506 of the Regulations.

REENROLLMENT

Members who have voluntarily cancelled enrollment from this Plan may apply for reenrollment during the Open Enrollment Period.

TERMINATION OF ENROLLMENT AND COVERAGE

The enrollment in this Plan of a Member shall be terminated in accordance with the provisions of Section 599.506 of the Regulations, or by the Trust's or Anthem Blue Cross' termination of the Agreement, subject, however, to the extensions of coverage required by Section 599.508 (a) (5) of the Regulations, and the continuation benefits provided under **CONTINUATION OF COVERAGE** below.

CONTINUATION OF COVERAGE (COBRA)

COBRA (Consolidated Omnibus Budget Reconciliation Act) group continuation coverage is provided through federal legislation and allows an enrolled Employee or Annuitant or his or her enrolled Family Members, other than a domestic partner and a child of a domestic partner, who loses their regular group coverage under this Plan because of certain events to continue coverage for 18 or 36 months.

A. Eligibility for Continuation - Qualifying Events

Subscribers or Family Members, other than a domestic partner and a child of a domestic partner, may choose to continue coverage under the Plan if it would otherwise end for any of the reasons shown below. These are called qualifying events, and they are:

For Subscriber and Family Members

1. The Subscriber's termination, for any reason other than gross misconduct;
2. Loss of coverage under an employer's health plan due to a reduction in the Subscriber's work hours;
3. For Members who may be covered as retirees, cancellation of that retiree coverage due to the Trust's filing for protection under the bankruptcy law (Chapter 11), provided the Member was covered prior to the filing of bankruptcy.

For Family Members

4. The death of the Subscriber;
5. The Spouse's divorce or legal separation from the Subscriber, or if the Spouse vacates the residence shared with the Subscriber;
6. The end of a child's status as a Family Member, in accordance with the Act or Regulations.

B. Requirements for Continuation

1. Notice

For qualifying events 1, 2, and 3, the Subscriber's Employer will notify the Subscriber of the right to continue coverage. In the event of the Subscriber's death, a Family Member will be notified of the continuation right. Anyone choosing to continue coverage must so notify the CalPERS/Employer within 60 days of the date they receive notice of their continuation right.

In the event of an Annuitant's death, it is the Family Member's responsibility to notify the CalPERS/Employer **within 60 days** of the date of such qualifying event.

The Member must inform the CalPERS/Employer of qualifying events 5. or 6. on the previous page within 60 days of such event if the Family Member wishes to continue coverage. If the Subscriber or Family Member fails to provide such timely notice to the CalPERS/Employer, then such person shall not be entitled to elect continuation coverage.

Within 14 days of receipt of timely notice of a qualifying event, the CalPERS/Employer shall provide written notice to eligible Subscribers and Family Members of their continuation right at the address of such persons on the records of the CalPERS/Employer. Such notice to an Employee or Annuitant or his or her Spouse shall be deemed notice to all other eligible Family Members residing with such Employee, Annuitant or Spouse at the time such notification is made.

The continuation coverage may be chosen for all Members within a family, or only for selected Members. However, if a Member fails to elect the continuation when first eligible, that person may not elect the continuation at a later date.

Once an Employee, Annuitant or Family Member elects the COBRA continuation, the Trust shall provide written notice of their rights to continuation of coverage. In addition to the written notice, an Evidence of Coverage will be sent to the enrolled Subscriber at his or her address on enrollment document(s) and shall be deemed notice to such Subscriber and his or her Spouse.

2. Family Members Acquired During Continuation

A Spouse or child newly acquired during the continuation period is eligible to be enrolled as a Family Member. The standard enrollment provisions of the Plan apply to enrollees during the continuation period. A Family Member acquired and enrolled during the period of continuation coverage which resulted from the original qualifying event is not eligible for a separate continuation if a subsequent qualifying event results in the person's loss of coverage.*

***Exception:** A child who is born to, or placed for adoption with the Subscriber during the COBRA continuation period will be eligible for a separate continuation if a subsequent qualifying event results in the person's loss of coverage.

3. Cost of Coverage

The benefits of continuation coverage are identical to the benefits in this Evidence of Coverage. The required monthly contribution for continuation coverage may not exceed 102 percent of the prepayment fees specified for coverage under this Plan or any amendment, renewal or replacement of this Plan. An eligible Subscriber or his or her eligible Family Member(s) electing continuation coverage shall pay to the Trust the required monthly contribution for continuation coverage **no later than the following dates:**

- a. If such election is made before the qualifying event, the required monthly contribution may be paid with the written election, in the amount required for the first month of continuation coverage.
- b. If such election is made after coverage is terminated due to a qualifying event, the required monthly contribution for the period of continuation of coverage preceding the election shall be made **within 45 days** of the election together with the required monthly contribution for the period beginning with the date of election and ending on the last day of the month in which the required monthly contribution is paid for the period preceding the election.

It is the intention of this provision to require that the initial required monthly contribution payment include the required monthly contributions due for continuation coverage from the date coverage terminates under the group Plan to the end of the month in which the initial required monthly contribution is paid.

Thereafter, the required monthly contribution shall be paid on or before the first day of each month for which continuation is to be provided. If any required monthly contribution for continuation coverage is not paid when due, the Trust may issue a notice of cancellation of continuation of coverage. If payment is not received within 15 days of issuance of such notice of cancellation, the Trust may cancel the continuation coverage on the sixteenth day following issuance of notice of cancellation. Termination of coverage shall be retroactive to the first day of the month for which the required monthly contribution has not been received.

For a Subscriber who is eligible for an extension of continuation coverage due to the Subscriber or a Family Member having been determined by the Social Security Administration to be totally and permanently disabled, the Trust shall charge 150 percent of the Subscriber's required monthly contribution prior to the Disability for the length of time the disabled member remains covered. The Trust must receive timely payment of the required monthly contribution, each month in order to maintain the coverage in force.

If a second qualifying event (as shown below) occurs during this extended continuation, the total COBRA continuation may continue for up to 36 months from the date of the first qualifying event. The required monthly contribution shall then be 150 percent of the applicable rate for the 19th through the 36th months if the disabled member remains covered. The cost will be 102 percent of the applicable rate for any periods of time the disabled member is not covered following the 18th month.

For purposes of determining the required monthly contribution payable for continued coverage, a person originally covered as a Spouse will be treated as the Subscriber if coverage is continued for him/herself alone. If such Spouse and his or her child(ren) enroll, the required monthly contribution payable will depend upon the number of persons covered. Each child continuing coverage other than as a dependent of a Subscriber will pay the required monthly contribution applicable to a Subscriber. (If more than one child is so enrolled, the required monthly contribution shall be the two-party or three-party rate, depending upon the number of children enrolled.)

4. Subsequent Qualifying Events

Once covered under the continuation plan, it's possible for a secondary qualifying event to occur. If that happens, a Family Member may be entitled to a second continuation period. This period shall in no event continue beyond 36 months from the date the Member's coverage

terminated due to the first qualifying event. Except for newborn or newly adopted children as described above, only a Member covered prior to the original qualifying event is eligible to continue coverage again as the result of a later qualifying event. A Family Member acquired during the continuation coverage is not eligible to continue coverage as the result of a later qualifying event, with the exception of newborns and adoptees as described above.

For Example: Continuation may begin due to termination of employment. During the continuation, if a child reaches the proper age limit of the Plan, the child is eligible for a second continuation period. This second continuation would end no later than 36 months from the date coverage was terminated due to the first qualifying event - the termination of employment.

5. When Continuation Coverage Begins

When continuation coverage is elected and the required monthly contribution paid, coverage is reinstated back to the date the Member's coverage was terminated due to the qualifying event, so that no break in coverage occurs. Coverage for Family Members acquired and properly enrolled during the continuation begins in accordance with the enrollment provisions of the Act and Regulations.

6. When the Continuation Ends

This continuation will end on the earliest of:

- a. The end of 18 months from the date the Member's coverage terminates, if the qualifying event was termination of employment or reduction in work hours. For a Member whose continuation coverage began under a prior plan, this term will be dated from the time the Member's coverage terminates under that prior plan due to the qualifying event.

Exception: A qualified beneficiary whose coverage is continued may extend that continuation coverage for up to an additional 11 months, provided that the disabled Member has been determined by the Social Security Administration to be totally and permanently disabled according to the statutory requirements of either Title II or Title XVI of the Social Security Act. The extension applies to all covered Members as well as the disabled Member. The Member is required to furnish proof of the Social Security Administration's determination of disability to his or her Employer during the first 18 months of the COBRA continuation period **but no later than 60 days** after the later of the following events: (1) the date of the Social Security Administration's determination of the disability; (2) the date on which the original qualifying event occurs; (3) the date on which the qualified beneficiary loses coverage; or (4) the date on which the qualified beneficiary is informed of the obligation to provide the disability notice. The period of continuation shall in no event continue beyond (1) the period of disability, or (2) a maximum of 29 months after the date the Subscriber's coverage terminated due to the loss of employment, whichever occurs first.

- b. The end of 36 months from the date the Member's coverage terminates, if the qualifying event was the death of the Subscriber; divorce or legal separation or if the Spouse vacates the residence shared with the Subscriber; or the end of dependent child status. For a Member whose continuation coverage began under a prior plan, this term will be dated from the time the Member's coverage terminated under that prior plan due to the qualifying event.
- c. The date the Plan terminates.
- d. The end of the last period for which the final required monthly contribution was paid.

- e. The date after the effective date of the COBRA election that the Member first becomes covered under any other group health plan, except that if the Member's coverage under a group health plan contains any exclusion or limitation relating to a pre-existing condition, the Member's coverage will remain effective until the exclusions or limitations of the group health plan for pre-existing conditions no longer apply to the Member.

In the event that the Member is eligible for both continuation coverage and coverage under any other group health plan, the continuation benefits may be reduced so that the benefits and services the Member receives from all group coverage's do not exceed 100 percent of the Covered Expense incurred.

Subject to the Plan remaining in effect, a retired Subscriber whose coverage began due to a Chapter 11 bankruptcy may continue coverage for the remainder of his or her life; that person's covered Family Members may continue coverage for 36 months after their coverage terminates due to the Subscriber's death. However, coverage could terminate prior to such time for either the Subscriber or Family Member in accordance with items c., d., or e. above.

Other Coverage Options Besides COBRA Continuation Coverage. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan). Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

BENEFITS AFTER TERMINATION

There is no coverage for treatment of any condition beyond the effective date of termination of this Plan, or of coverage offered by this Plan, except as follows:

1. If a Member is Totally Disabled when coverage ends and is under the treatment of a licensed medical doctor (M.D.), the benefits of this Plan shall continue to be provided under this paragraph for services treating the totally disabling illness or injury, and for no other condition not reasonably related to the condition causing the total Disability, illness or injury or arising out, of such totally disabling illness or injury. This extension of benefits is not available if the Member becomes covered under another group health plan that provides coverage without limitation for the disabling condition.
2. A Member confined as an inpatient in a Hospital or Skilled Nursing Facility is considered Totally Disabled as long as the inpatient Stay is Medically Necessary, and no written certification of the total Disability is required.
3. A Member not confined as an inpatient who wishes to apply for total Disability benefits must submit written certification by the attending Physician of the total Disability. Anthem Blue Cross on behalf of the Trust, must receive this certification **within thirty (30) days** of the date coverage ends under this Plan. At least once every sixty (60) days while benefits are extended, Anthem Blue Cross on behalf of the Trust, must receive proof that the Member's total Disability is continuing.
4. Benefits are provided until one of the following occurs:
 - a. The Member is no longer Totally Disabled, or
 - b. The maximum benefits of the Plan are paid, or
 - c. The Member becomes covered under another group health plan that provides coverage without limitation for disabling illness or injury, or a period of 12 consecutive months has passed since the date coverage ended.

GENERAL PROVISIONS

EVIDENCE OF COVERAGE

The Trust shall issue to the Subscriber an Evidence of Coverage. This Evidence of Coverage is not the Agreement. It does not change the coverage under the Agreement in any way. This Evidence of Coverage, which is evidence of coverage under the Agreement, is subject to all of the terms and conditions of the Agreement.

WORKERS' COMPENSATION INSURANCE

The Agreement does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

PROVIDING OF CARE

The Trust and Anthem Blue Cross are not responsible for providing any type of Hospital, medical or similar care. Also, the Trust and Anthem Blue Cross are not responsible for the quality of any type of Hospital, medical or similar care received.

NON-REGULATION OF PROVIDERS

Benefits provided under this Plan do not regulate the amounts charged by providers of medical care, except to the extent those rates for covered services are regulated with Prudent Buyer Plan Providers.

IDENTIFICATION CARDS AND EVIDENCE OF COVERAGE BOOKLETS

Anthem Blue Cross, on behalf of the Trust, shall issue to the Member and Family Members an identification card. The Trust shall issue to the Member an Evidence of Coverage booklet setting forth a statement of the services and benefits to which the Member and Family Members are entitled. Possession of an identification card confers no right to services or other benefits of this Plan. To be entitled to services or benefits, the holder of the card must, in fact, be a Member on whose behalf applicable fees under this Plan have actually been paid. Any person receiving services or other benefits to which he or she is not then entitled pursuant to the provisions of this Plan is chargeable therefore at prevailing rates.

FREE CHOICE OF PROVIDER

This Plan in no way interferes with the right of any person entitled to Hospital benefits to select the Hospital of his or her choice. That person may choose any Physician who holds a valid Physician and surgeon's certificate and who is a member of, or acceptable to, the attending staff and board of directors of the Hospital where services are received. You may also choose any other health care professional or facility which provides care covered under this Plan, and is properly licensed according to appropriate state and local laws. However, that person's choice may affect the benefits payable according to the terms of the Agreement.

LIABILITY OF MEMBER FOR CERTAIN CHARGES

1. In the event the Plan fails to pay a provider who has provided covered services (for example due to the Plan's filing for bankruptcy), the Member will be required to pay the provider any amounts not paid to them by the Plan. However, a Member is not required to pay to a Prudent Buyer Plan Provider any amount of expense for a covered service that exceed the negotiated rate.
2. The Member is liable for all expenses in excess of the benefits of this Plan.

EXPENSE IN EXCESS OF BENEFITS

Anthem Blue Cross and the Trust are not liable for any expense the Member incurs in excess of the benefits of this Evidence of Coverage.

PAYMENT TO PROVIDERS

Anthem Blue Cross, on behalf of the Trust, pays the benefits of this Plan directly to Contracting Hospitals, Prudent Buyer Plan Providers and licensed ambulance companies. Also, other providers of service may be paid directly when the Member assigns benefits in writing. These payments fulfill the obligation of the Trust to the Member for those services.

RIGHT OF RECOVERY

When the amount paid by Anthem Blue Cross, on behalf of the Trust, exceeds the amount for which the Trust is liable under this Plan, the Trust has the right to recover the excess amount. This amount may be recovered from the Member, the person to whom payment was made or any other plan. The Trust may reduce subsequent benefits payments to offset overpayments.

RIGHT TO RECEIVE AND RELEASE INFORMATION

1. For the purpose of enforcing or interpreting this Plan, or participating in resolving any matter in dispute in regard to this Plan, the Trust, the Board, Anthem Blue Cross, or any person covered under this Plan agrees, subject to statutory requirements, to share all relevant information with any other party. Such information may only be used in determining the disputed matter, and shall not be further disclosed without the consent of the person(s) to whom the information pertains. Any exchange of information pursuant to this section, for the limited purposes of the section, shall not be deemed a breach of any person's right or privacy.
2. For the purposes of enforcing, determining the applicability of, and implementing the Coordination of Benefits provisions of this Plan or any similar provisions of any other plan, the Plan may release to, or obtain from, any other plan, health care provider, insurance company, organization or person, any information, with respect to any person, which the Plan deems to be necessary for such purposes. Members shall furnish such information as may be necessary to implement these provisions.

BENEFITS NON-TRANSFERABLE

Only eligible Members are entitled to receive benefits under this Plan. The right to benefits cannot be transferred.

CLERICAL ERROR

No clerical error on the part of the Employer, the Trust or Anthem Blue Cross shall operate to defeat any of the rights, privileges or benefits of any Member.

INDEPENDENT CONTRACTORS

All providers are independent contractors. Neither the Trust nor Anthem Blue Cross is liable for any claim or demand for damages connected with any injury resulting from any treatment.

Nondiscrimination. No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender, or age.

PROTECTION OF COVERAGE

Neither Anthem Blue Cross nor the Trust has the right to cancel the coverage of any Member under this Plan while:

1. The Administrative Services Agreement between Anthem Blue Cross and the Trust is still in effect, and
2. The Member is still eligible, and
3. The Member's required monthly contributions are paid according to the terms of the Administrative Services Agreement between Anthem Blue Cross and the Trust.

TERMS OF COVERAGE

1. In order for a Member to be entitled to benefits under the Agreement, both the Agreement and the Member's coverage under the Agreement must be in effect on the date the expense giving rise to a claim for benefits is incurred.
2. The benefits to which a Member may be entitled will depend on the terms of coverage in effect on the date the expense is incurred. An expense is incurred on the date the Member receives the service or supply for which the charge is made.
3. The Agreement is subject to amendment, modification or termination, according to the provisions of the Agreement without the consent or concurrence of Members.

MEMBER COOPERATION

By virtue of the Agreement with CalPERS, Members agree to: (a) take action, furnish help and information, and execute instruments required to enforce the Trust's rights as set forth in the Agreement; (b) take no action to harm the Trust's rights or interests; and (c) notify the Trust or Anthem Blue Cross, on behalf of the Trust, of circumstances that may give rise to its rights.

PROVIDER REIMBURSEMENT

Physicians and other professional providers are paid on a fee-for-service basis, according to an agreed upon schedule for Prudent Buyer Plan Providers and to the Customary and Reasonable Charge or the Reasonable Charge for Non-Prudent Buyer Plan Providers. Hospitals and other health care facilities may be paid either a fixed fee or on a discounted fee-for-service basis.

GRIEVANCE/CLAIMS REVIEW PROCEDURE

STEP 1: MEDICARE CLAIMS REVIEW PROCEDURE

If you have questions regarding a determination on a claim which was submitted to Medicare, contact the Medicare office indicated on your Explanation of Medicare Benefit (EOMB) form.

STEP 2: DISAGREEMENTS WITH ANTHEM BLUE CROSS' CLAIMS DETERMINATIONS

The Plan provides that treatment or service must be Medically Necessary and be covered by this Plan. The fact that your attending Physician may prescribe, order, recommend or approve a service or treatment does not, of itself, make it Medically Necessary or make the service or treatment an allowable expense, even if it is not specifically listed in this booklet as an exclusion. Anthem Blue Cross has the responsibility for determining whether claims are payable. A practicing physician-consultant retained by Anthem Blue Cross must agree if the denial is based on the lack of medical necessity.

Action on your claim, including any denial, will be given in writing by Anthem Blue Cross, including the reason for any denial. If you do not agree, either you or your attending Physician, acting as your authorized representative, may request reconsideration. **This request must be made in writing to Anthem Blue Cross within 60 days** of the denial of your claim and must give the reasons you believe the claim should be paid and should include any additional information that would affect the decision. To request reconsideration you may write to Anthem Blue Cross at P.O. Box 60007, Los Angeles, CA 90060-0007, Attn: CAHP Unit or file online through the Anthem Blue Cross Web site at www.anthem.com/ca. Anthem Blue Cross will acknowledge receipt of a reconsideration request by written notice to the complainant within 20 days. Anthem Blue Cross will then either affirm or resolve the denial within 30 days.

If Anthem Blue Cross affirms the denial or fails to respond within 30 days after receiving the written request for review and you still disagree, you may proceed to **STEP 3 or STEP 4**,

NOTE: You should follow the STEP 1 and STEP 2 grievance procedures listed above for disputes over coverage and/or benefits, or if you are dissatisfied with the quality of care or your access to care. For matters of eligibility, you should contact the CalPERS Health Account Management Division at P.O. Box 942715, Sacramento, CA 94229-2715.

For grievances not resolved after completing **STEP 1 AND STEP 2** procedures:

1. **Covered grievances:** If you have followed the grievance procedure listed above and are still dissatisfied, you may proceed to **STEP 3: SPECIAL REVIEW PROCEDURES FOR DENIAL EXPERIMENTAL OR INVESTIGATIONAL TREATMENT;** or **STEP4: BINDING ARBITRATION (or SMALL CLAIMS COURT)**. If your coverage/benefit dispute is within the jurisdictional limits of small claims court, you must proceed through that court.
2. **Malpractice grievances:** Claims of malpractice must be taken up directly with the provider(s) of medical care.
3. **Bad faith grievances:** You must proceed to **STEP 4: BINDING ARBITRATION (OR SMALL CLAIMS COURT)** for claims for benefits involving charges of bad faith.

STEP 3: SPECIAL REVIEW PROCEDURES FOR DENIAL OF EXPERIMENTAL OR INVESTIGATIONAL TREATMENT

The Member may request an independent review of a coverage decision for services that Anthem Blue Cross has denied as being Experimental or Investigational if **all** of the following criteria have been met: (1) the Member has a terminal condition, **and** (2) the Member's Physician certifies that standard therapies have been ineffective or would be inappropriate, **and** (3) either the Member's Physician certifies in writing that the denied therapy is likely to be more beneficial to the Member than standard therapies, or the Member (or the Member's Physician) has requested a therapy that, based on documented medical and scientific evidence, is likely to be more beneficial than standard therapies. The Member will be notified in writing by Anthem Blue Cross of the opportunity to request this review when services are denied.

This review may be requested in place of or in addition to a reconsideration request made of Anthem Blue Cross as set forth in **STEP 2** on the previous page.

If the independent review affirms the denial and you still disagree, you may proceed to **STEP 4**.

STEP 4: BINDING ARBITRATION (OR SMALL CLAIMS COURT)

If you do not use **STEP 2** or **STEP 3**, or if they do not apply, binding arbitration is the final step in resolving your grievance, except any dispute regarding a claim for damages within the jurisdictional limits of the small claims court must be resolved in such court. **A small claims court judgment cannot be appealed.**

By enrolling in this Plan, you agree to waive your constitutional right to have any such claim decided in a court of law or before a jury and instead accept the use of binding arbitration.

The steps for binding arbitration are as follows:

1. Binding arbitration is begun by you making written demand on Anthem Blue Cross.
2. The arbitration will be conducted by Judicial Arbitration and Mediation Services (JAMS) according to its applicable Rules and Procedures. If, for any reason, JAMS is unable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by mutual agreement of you and Anthem Blue Cross, or by order of the court, if you and Anthem Blue Cross cannot agree. Copies of such arbitration rules are available from Anthem Blue Cross. The arbitration shall be held in the State of California.
3. **THE ARBITRATION FINDINGS ARE FINAL AND BINDING** except to the extent that California or Federal law provides for the judicial review of arbitration proceedings.

Questions about your right of appeal, all notices required of you to initiate these rights and any demand for arbitration not available through the local medical society should be directed to Anthem Blue Cross, P.O. Box 60007, Los Angeles, CA 90060-0007, Attn: Claims Appeal Department.
